SIMPLE GIFTS
Folk Music Duo

Linda Littleton & Karen Hirshon

Simple Gifts will play folk music from Appalachia, the British Isles, Scandinavia, Eastern Europe, Mexico and more, using:

- two fiddles
- mandolin
- guitar
- banjo
- hammered dulcimer
- bowed psaltery
- AND a special surprise instrument toward the end.

They'll announce each piece before it's played and explain the unusual instruments. Simple Gifts loves having the audience ask questions!
